EXPERIENCE

PRODUCT DESIGNER, INTUIT

Aug 2019 - date | Mountain View, California, USA

Designing first-time-use experiences for upcoming features on Intuit's **QUICKBOOKS ONLINE** platform, with the goal of increasing new customer subscription to the franchise.

PRODUCT DESIGN INTERN, INTUIT

May 2018 - Aug 2018 | Plano, Texas, USA

Worked on **DOCUMENT MANAGEMENT FOR ACCOUNTANTS** to help generate faster tax returns (released in Nov 2018) and the **ONE INTUIT ACCOUNTANT** project to design a seamless experience between Intuit's accounting and tax products that would reduce customer call and training costs and generate faster account setups.

- ▶ Researched current product experiences, interviewed stakeholders across Intuit and realized customer empathy through storyboarding and journey-mapping.
- ▶ Drew insights into users' pain with early lo-fi tests, conducted 15+ usability tests with live customers and iterated on solutions, aligning with business goals, to deliberate on shipping decisions.

SOLUTIONS ARCHITECT, AKAMAI

Mar 2013 - Jun 2017 | Bangalore, India

Analyzed websites and developed customized proof of concepts to justify Akamai's product value and improve end-user experience. Customers included sales and engineering teams of mainly Fortune 500 companies from across the globe.

- ▶ Served as subject-matter-expert for Akamai's **ION** - maximizing user experiences on web and mobile, and also for **IPA** IP app accelerator - ensuring high performance availability.
- ▶ Closely mentored and groomed four new hires into dependable resources within six months and also occasionally trained sales teams from USA, Costa-Rica, Japan, and Bangalore, in web performance and front-end optimization.

SYSTEMS ENGINEER, INFOSYS

Nov 2010 - Dec 2012 | Chennai, India

Worked as a **FinTech** engineer on UI development, automation testing and back-end debugging.
