EXPERIENCE

PRODUCT DESIGN INTERN, INTUIT

May 2018 - Aug 2018 | Plano, Texas, USA

Worked on **document management for accountants** - to help generate faster tax returns and the One Intuit Accountant project - to design a seamless experience between Intuit's accounting and tax products.

- ▶ Conducted 15+ user interviews with early lo-fi a/b testing and usability tests along with the chief user researcher.
- ▶ Drew insights into users' pain, aligned them to business goals and iterated with lo-fi mocks before deliberating on shipping decisions.
- ▶ Researched current product experiences, interviewed stakeholders from across Intuit and used storyboarding and journey-mapping frameworks to gather empathy for users.
- ▶ Mapped transitions from current to ideal product states that would reduce customer call and training costs, generate faster account setups and drive the **'One Intuit' brand identity**.
- ▶ Also participated in Service Blueprinting, rapid prototyping and doodled visual maps to empower team brainstorming.

SOLUTIONS ARCHITECT, AKAMAI

Mar 2013 - Jun 2017 | Bangalore, India

Analyzed websites and developed customized proof of concepts to justify Akamai's product value and improve end-user experience. Customers included sales and engineering teams of mainly Fortune 500 companies from across the globe.

- ▶ Served as subject-matter-expert for two of Akamai's products.
- ▶ Re-designed the new-hire training for Akamai sales teams, globally.
- ▶ Trained sales teams from across USA, Costa-Rica, Japan and Bangalore in web performance and front-end optimization.
- ▶ Mentored and groomed four new hires individually, into dependable resources within six months.
- ▶ Designed infographics to assist Akamai product marketing teams.
